LB 1078

SENATOR LABEDZ: You are offering that amendment, Senator Haberman, to LB 1078.

SENATOR HABERMAN: Yes, I am.

SENATOR LABEDZ: Is there anyone that wishes to speak to Senator Haberman's amendment? There are no lights on. All those in favor of Senator Haberman's amendment to LB 1078 vote aye, all opposed nay. Have you all voted? Voting aye.

SENATOR HABERMAN: I need 25 so if there are seven people who haven't voted, I will appreciate your vote.

SENATOR LABEDZ: Have you all voted? Please record.

CLERK: 25 ayes, 1 nay, Mr. President, on adoption of Senator Haberman's amendment.

SENATOR LABEDZ: The amendment is adopted. Any other amendments?

CLERK: Nothing further on the bill.

SENATOR LABEDZ: Senator Kahle, would you like to close?

SENATOR KAHLE: Madam Chairman, there really isn't anything to close. I gave you the reason for the bill. I think it is clear we need to do this in order to be in compliance. I think that Environmental Control people are ready to take over this task, therefore, I move the advancement of LB 1078.

SENATOR LABEDZ: All those in favor of advancement of LB 1078 vote aye, against nay.

CLERK: Senator Labedz voting yes.

SENATOR LABEDZ: I'm sorry, have you all voted? Fire, everybody leave the room. Please record.

CLERK: 27 ayes, 0 nays on a motion to advance the bill.
